

Love Flowers? Welcome to Your Happy Place!

For the Support of our **Sales Team in China**, we are looking for a

Technical Sales Manager m/f/o

**Benary is one of the world's leading companies in breeding annual and perennial ornamental plants.
We supply the horticultural market in over 120 countries with high-quality seed and operate locations on several continents.**

Your Profile:

- You have 5 years of experience in European horticulture production
- You are "hands-on" and capable to provide entire crop-regimes to growers and young plant companies
- You are native Chinese
- You are fluent in English?
- You will be the technical go-to-person for your Benary sales colleagues and national key accounts such as brokers, young plant companies and growers in China
- You will organize technical training seminars for the Benary sales people and growers
- You will define and implement national sampling protocols for existing products and upcoming breeding
- You will plan and execute national technical support campaigns of Benary's core products
- You will have good interaction with the Benary Product Manager in Germany and the Technical Support Manager in North America

Our Offer:

- We offer you the opportunity for personal and professional development in a global environment
- You will operate within a newly established and highly motivated team in China

You will be based in China and employed by our Chinese entity. This is a full-time permanent position.

Please submit your application including resume by Email or letter to:
