

Dianthus Varieties

Get the edge on spring sales!

Dianthus EDGY® Series

- Prolific early spring flush
- Heat tolerant
- Extended season bloomer
- Fills the pot fast

Sugar N' Spice

- Multicolored flowers on single plant
- Unique flower and foliage
- No cooling period required
- Hardy to zone 5
- 4-8 weeks to root and 8-12 weeks to finish
- Great for 6" (15 cm) containers (2-3 plants per pot)

Add some other great Dianthus varieties to your order!

- American Pie Series – Fragrant vigorous series ideal for gallons. Incredible red!
- Star Series – Large single and double flowers. Nice flower count and compact habit
- Early Bird Series – Very early series that is more compact, excellent for 4" (10 cm)
- Premier Series – Fragrant unique flowers ideal for a 6" (15 cm) program
- Scent First Series – Fragrant double flowers ideal for compact containers
- Frosty Fire – single red flowers on blue-green foliage
- Fire Witch – Fragrant single, magenta flowers on blue foliage

EDGY®

- Long bloomer well into the summer
- Great performer in the heat
- No cooling period required
- Hardy to zone 5
- 4-8 weeks to root and 8-12 weeks to finish
- Great for 6" (15 cm) containers (2-3 plants per pot)

EDGY® Neon Pink
