PANSIES & FRIENDS

SPECIAL EARLY SPRING AND FALL CROPS

When the weather finally breaks, and your customers venture out in those frosty early spring mornings, you need something that will grab their attention.

Benary's Pansies & Friends are the perfect flowers to paint your benches with a blaze of color.

— TOO COOL!

Later in the year – when summer is slowly fading away - bring back an abundance of color before winter takes over. Our pansies and violas have one of the widest ranges of colors and are good for containers, borders, and ground covers.

The majority of our Pansies & Friends are BeGreen treated.

BeGreen means: chemical and micro plastics free seed treatments
